(VLN) Convertible Top Products (Windscreen Air Deflector)  
**\$995**

**Standard Features**

MechanicalInteriorExteriorSafety

**Mechanical**

- 6.2L supercharged V8 DI and PFI engine  
 755 hp @ 6300 rpm  
 715 lb-ft of torque @ 4400 rpm  
 Variable Valve Timing
- 7-speed manual transmission with Active Rev Matching  
 Active Rev Matching sends a signal from the transmission to the engine controller, allowing control of engine rpm to eliminate the need for heel/toe shifting while delivering better smoothness and balance

- Rear axle, 3.42 ratio, electronic limited slip (eLSD)
- Dry sump oil system
  - Helps maintain oil pressure and lubrication under track conditions
  - Helps maintain horsepower throughout a wider range of performance demands
- Electronic Limited-Slip Differential (eLSD)
  - Provides optimum engagement for high-speed control and stability without affecting the precise steering and turn-in
- Rear differential cooler
  - Helps maintain proper operating temperatures, keeping gears cool and at optimal performance
- Rear wheel drive
- Aluminum frame
  - Aluminum with carbon-nano-composite underbody panels
  - These materials contribute to a near 50/50 weight balance and an enhanced power-to-weight ratio
- ZR1 standard suspension
  - Magnetic Selective Ride Control stiffens the suspension for high-performance driving without sacrificing a smooth ride
  - Adjustable with Driver Mode Selector
  - Performance Traction Management includes 5 separate settings of torque reduction and brake intervention facilitating maximum grip on the road for more confident driving
- Power steering
  - Speed-sensitive Electric Power Steering (EPS) with variable ratio
- Brembo<sup>®</sup> carbon-ceramic antilock brakes
  - Help reduce wheel lockup and maintain steering control during hard braking on most slippery surfaces
  - Brembo 4-piston front and 4-piston rear fixed calipers that are stiff for even pad wear, drag reduction and enhanced modulation
  - Feature large, carbon-ceramic rotors: 15.5" (394 mm) in the front and 15.3" (389 mm) in the rear
- Blue-painted brake calipers
  - Corvette script on outside of calipers
- Performance exhaust
  - Aggressive exhaust sound
  - 4" polished stainless-steel tips

## Interior

- Chevrolet Infotainment System with Navigation and 8" diagonal color touch-screen
    - GPS navigation system<sup>1</sup> that maps in 2-D and 3-D
    - HD Radio<sup>™</sup> technology
    - 8" diagonal color touch-screen for customizing and managing entertainment and vehicle feature settings<sup>2</sup>
    - Bluetooth<sup>®3</sup> streaming audio for music and select phones
    - Apple CarPlay<sup>™</sup> and Android Auto<sup>™</sup> capability for compatible phones<sup>4</sup>
    - Voice-activated technology for radio and phone
    - Includes performance data recorder
- <sup>1</sup> Map coverage available in the United States, Puerto Rico and Canada.
- <sup>2</sup> Functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices.
- <sup>3</sup> Go to [www.my.chevrolet.com/learn](http://www.my.chevrolet.com/learn) (<http://www.my.chevrolet.com/learn>) vehicle and smartphone compatibility.
- <sup>4</sup> Vehicle user interfaces are products of Apple<sup>®</sup> and Google<sup>™</sup> and their terms and privacy statements apply. Requires compatible smartphone and data plan rates apply.
- Bose<sup>®</sup> advanced audio system
    - 10 speakers
    - Includes subwoofer enclosure in cargo area
    - Bose<sup>®</sup> is renowned for expert sound engineering and high-quality audio and with premium speakers positioned throughout the cabin, you'll get rich, concert-like sound
  - SiriusXM<sup>®</sup> Satellite Radio
    - Welcome to the world of SiriusXM<sup>1</sup>
    - Enjoy your 3-month trial subscription to the All Access package with over 150 channels including commercial-free music, plus sports, exclusive talk, entertainment and news
    - Plus, listen on the app and online – it's included with All Access, so you'll hear the best SiriusXM has to offer, anywhere life takes you

## SiriusXM subscription extended to a full year on all 2LT/2LZ and 3LT/3LZ/3ZR models

<sup>1</sup> If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call us at 1-866-635-2349. See our Customer Agreement for complete terms at [www.siriusxm.com](http://www.siriusxm.com) (<http://www.siriusxm.com>). All fees and programming subject to change. ©2018 Sirius XM Radio Inc. Sirius, XM, SiriusXM and all related marks and logos are trademarks of Sirius XM Radio Inc. All rights reserved.

- OnStar 4G LTE
- Performance data and video recorder
  - Records video and real-time performance data to play back, share and analyze your driving experiences
  - Windshield-mounted HD camera module captures video and audio of drives
  - Video, audio and performance data can be replayed on the color touch screen or saved on an SD memory card for playback on your computer or analysis with Cosworth toolbox
  - Track Mode records video, audio and synchronized performance data, including speed, rpm, g force, track maps, lap times and start/finish line
  - Sport Mode has simplified data, such as speed and g force, to your video
  - Touring Mode captures video and audio of scenic drives
  - Performance Mode records performance data: 0 to 60 mph, 1/4-mile speed and elapsed time, as well as 0-to-100-to-0 runs
  - Valet mode provides peace of mind by recording video and data when your vehicle is not in your control
  - May require additional optional equipment
- Antenna, integral, hidden
- GT bucket seats
  - Designed for all-around comfort and support
  - Built on strong, yet lightweight magnesium frames
- 3ZR interior trim
  - Seats, console, door armrest and instrument panel in selected interior color
- 8-way power driver and passenger seats
- Power driver and passenger side bolster and lumbar seat controls
  - Adjust the amount of side support you prefer in your seat bolsters
  - Choose just the right amount of lumbar support
- Heated and ventilated driver and passenger seats
  - Keep cool in summer and warm in winter with these heated and ventilated seat cushions and seatbacks
  - Separate buttons on the climate control panel allow you to choose from 3 levels of warmth or cool
- Perforated Napa leather seating surfaces
- Custom Leather Wrapped Interior Package
  - Leather-wrapped upper instrument panel, upper door trim panels and console cover
- Sueded Microfiber-Wrapped Upper Interior Trim Package
  - Visors
  - A-pillar trim
  - Trim above the windshield
- High-gloss carbon fiber instrument panel trim
  - May require additional optional equipment
- Front center console
  - Keep valuables and smaller items secure
- Carpeted floor mats
  - Helps protect your interior from road debris and the elements
  - Engineered to fit your vehicle perfectly
- Power tilt and telescoping steering column
  - Allows the driver to adjust the steering wheel up or down, and the steering column forward or back
  - Provides extra comfort when entering or exiting the vehicle
- Carbon-fiber and leather-wrapped steering wheel
  - Carbon-fiber upper and lower rim
  - Flat bottom steering wheel increases legroom for easier entry and exit as well as quicker heel/toe shifting
- Steering-wheel mounted controls
  - Allow the driver to easily operate the audio system, phone interface and Driver Information Center controls
- Head-Up Display
  - Projects vehicle information onto the windshield just below the driver's line of sight to help keep your eyes on the road

Adjustable vertical position and brightness of the display

Includes color readouts for street mode which support audio and navigation functions, track mode with g-meter, vehicle speed and engine rpm

- Driver Information Center
  - Includes driver personalization, warning messages and vehicle information
  - 3 customization options - Touring, Sport and Track; the instrument cluster changes with the Driver Mode selected
  - Includes tachometer with shift lights for high-performance driving
- Oil-life monitoring system
  - Indicates when to change the oil based on engine operating conditions
  - Monitors your personal driving habits and climate conditions to determine precisely when your vehicle's next oil change is needed
  - Alerts the driver with a message in the Driver Information Center
- Power door locks
  - Programmable
  - Allows you to lock and unlock doors easily whether it's from the driver or passenger seat or from outside using the key fob
- Keyless Open and Start
  - Locks and unlocks your car's doors without having to use the key fob or push a button, increasing security and convenience
  - With the vehicle in Park or Neutral, press the brake pedal and then press the engine start/stop button to start the engine; the green indicator on the button will illuminate
  - Shift to Park and press the engine start/stop button to turn off the engine
- Power windows
  - Driver and passenger express-up/down
- Cruise control
  - Steering-wheel mounted controls to easily maintain and manage cruising speed
- Memory Package
  - Recalls 2 driver presets for power seat, outside mirrors and steering column
  - Press the memory buttons, or use the key fob to return position preferences
  - Memory/exit positions can be programmed to be recalled automatically when the ignition is turned on/off (for exit recall, the driver's door must be opened)
- Universal Home Remote
  - 3-channel programmable
  - Conveniently activate devices such as garage door openers, security systems, and home automation devices from inside your vehicle
- Theft-deterrent unauthorized entry system
  - Sounds the horn and flashes the turn signals when someone attempts to open the vehicle without the proper key or remote transmitter
  - Helps deter unauthorized entry, helping to protect your vehicle and its contents
- Inclination and interior movement sensors
  - Inclination sensor detects vertical and horizontal motion outside of your car and triggers an alarm response
  - Helps prevent thieves from stealing your vehicle or wheels by lifting it with a tow truck or a vehicle jack
  - Interior movement sensor activates the alarm when it senses unauthorized entry or movement
  - Immobilizes the engine to help prevent theft
- Trunk release, push button open
- Dual-zone automatic climate control
  - Automatically maintains the selected temperatures for both the driver and passenger
- Air filtration system
- Rear window defogger
  - Helps to keep your rear view clear
  - Utilizes a warming grid to remove fog or frost from the rear window
- Inside rearview auto-dimming mirror
  - Automatically adjusts the inside rearview mirror when it senses bright light from behind
  - Frameless mirror is designed and shaped to help improve the driver's vision
- Driver and passenger visors with illuminated mirrors
- Interior lighting
  - Dual reading lights
  - Glovebox
  - Cargo area
- Storage

An electric locking glovebox that locks automatically when the vehicle's doors are locked or when the driver selects Valet Mode  
Behind-screen storage locks in Valet mode  
A center-console bin and 2 covered cupholders  
A covered compartment in the cargo area

- Cargo net  
Helps secure and organize smaller items in your cargo area  
Easy to remove and store when not needed

## Exterior

- 19" front/20" rear, Pearl Nickel-painted aluminum, ZR1 wheels with summer-only tires  
Paired with Michelin® Pilot® Super Sport 19" front/20" rear, summer-only tires<sup>1</sup>  
Front 19" x 10.5" wheels  
Rear 20" x 12" wheels

<sup>1</sup> Do not use summer-only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM®-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information, go to [my.chevrolet.com/learnAbout/chevrolet tires/](http://my.chevrolet.com/learnAbout/chevrolet tires/) (<http://my.chevrolet.com/learnAbout/chevrolet tires/>) or see your dealer.

- Michelin® Pilot® Super Sport P285/30ZR19 front and P335/25ZR20 rear performance, run-flat, summer-only tires  
Do not use summer-only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM®-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information, go to [my.chevrolet.com/learnAbout/chevrolet tires/](http://my.chevrolet.com/learnAbout/chevrolet tires/) (<http://my.chevrolet.com/learnAbout/chevrolet tires/>) or see your dealer.
- Visible carbon fiber weave hood insert
- Engine access, rear-opening hood
- Power-folding convertible top  
Includes glass rear window with integral defogger  
Fully electronic  
Can be lowered even while driving at speeds of up to 30 mph  
Operate with the press of a button or remotely using the key fob
- Carbon Fiber tonneau inserts
- Visible Carbon Fiber Ground Effects Package  
Carbon fiber splitter  
Carbon fiber rockers  
Carbon fiber rear wing spoiler
- Black Badge Package
- Visible Carbon Flash-painted exterior vents  
Hood vent  
Fender vents (Stingray)  
Upper rear quarter vents (Coupe only)
- High-Intensity Discharge (HID) headlamps  
Help improve down-the-road visibility in low-light conditions  
Employ Xenon to provide a bright, intense beam of white light  
Also includes highly visible and reliable LED park and turn signals
- Body-color heated, driver-side auto-dimming power outside mirrors  
Heated feature helps clear away ice and fog
- Solar-Ray® light-tinted glass
- Front intermittent wipers

## Safety

- Active handling stability control with traction control  
Automatically helps enhance control, particularly during emergency maneuvers, by adjusting the brakes and engine torque to keep you on your intended path

Activates when vehicle sensors detect a difference between the driver's intended path and the direction the vehicle is actually travelling

Applies selective brake pressure to individual wheels to help the driver keep the vehicle on the path being steered

Includes Traction Control that detects wheel slippage and applies brake pressure and/or reduces engine power to help the driver maintain control when accelerating on wet or snow-covered roads

- Traction control, all-speed
- Performance Traction Management
  - Available in the Track mode of the cockpit-mounted Driver Mode Selector
  - Offers 5 settings of torque reduction and brake intervention for enhanced track driving performance
  - May require additional optional equipment
- Curb View Camera
  - When in Forward gear during low-speed maneuvering (e.g., parking), this system provides the driver a view of the scene immediately ahead of the vehicle on the vehicle's center stack display to help the driver avoid low-speed collisions into nearby objects, such as curbs, poles, and parked vehicles<sup>1</sup>
  - <sup>1</sup> Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle's owner's manual for more important feature limitations and information.
- Rear Vision Camera
  - When in Reverse, provides the driver of a view of the scene directly behind the vehicle on the Infotainment screen to help the driver park and avoid crashing into nearby objects during low-speed maneuvering<sup>1</sup>
  - <sup>1</sup> Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle's owner's manual for more important feature limitations and information.
- Airbag system
  - Frontal airbags work with the seat belt system to help reduce the risk of injury to the driver and passenger if involved in a moderate to severe frontal impact<sup>1</sup>
  - Seat-mounted side-impact driver and passenger airbags help reduce the risk of injuries for the driver and seat passenger in side impacts<sup>1</sup>
  - Passenger Sensing System automatically switches the passenger seat frontal airbag (and knee airbag, when equipped) on or off<sup>1</sup>
  - <sup>1</sup> Always use seat belts and child restraints. Children are safer when properly secured in a rear seat in the appropriate child restraint. See the Owner's Manual for more information.
- OnStar
- OnStar Basic Plan
